***A SPEAKER
WITH
ATTITUDE!***

Clearly speaking the truth in love

*2 Thessalonians 3.5 May the Lord direct your hearts
to the love of God and to the steadfastness of Christ.*

I don't know Jack? Who is he?

Yes, Jack Hager has an attitude. His attitude is that Christians are notorious for *almost* saying something. Jack speaks plainly – clearly – passionately – and tries to lace his presentations with love.

Jack came to Christ shortly after learning the Gospel – at the age of 26 while incarcerated. His first years of new life were spent in prison. After attending Bible school in Kansas City, Jack served with Kansas City Youth For Christ for a number of years; and with Family Life Ministries in New York for 20 years before joining the Midland staff.

Jack speaks at 5-7 youth camps each summer, and has spoken in literally hundreds of jails, prisons, and churches. He has spoken in well over 1,000 public schools, and several colleges.

Jack is available for pulpit supply, camps, special meetings, and more. As a home missionary, his only source of income is missionary support and honorariums. There is no "minimum" fee; though travel costs are expected to be covered.

Whether it is a Sunday morning service, a youth event, a history class...or any other venue...no meeting at which Jack speaks will ever have audiences wondering, "What did he say?"

What Others Say—

Jack tackles tough issues with Biblical insight and personal experience...I have seen many speakers, Jack just has that special something that makes him stand out.

Joy Lavelle, Director,
Twin Tiers Pregnancy Care Center

I am impressed with Jack's ability to minister to a wide range of ages. His messages are direct, thoughtful, challenging and, most importantly, based on the Bible.

Pastor Dan Gardner, Cohocton

If you want someone to share the Word in a challenging, unique, exciting and loving way, then Jack is the speaker for you.

Tom Matthews, Crescent Lake

Our students admired Jack's straightforward attitude and his willingness to take time to listen to them, and to meet with them in small groups and individually.

LeeAnn Carmichael,
North Rome Christian School

Jack spoke at our fundraising dinner. We found him to be very personable...I highly recommend him as a dynamic, interesting, to-the-point speaker.

James Anderson,
Bradford Area Christian Academy

I teach health, and for years I've had Jack speak to my classes. Students are very captivated by his presentation. I have the students write 'reaction papers' and I've never had a negative reaction.

Students react positively because of Jack's passion for them and for his desire for them to rely on what he calls 'their incredible power of choice' before deciding to do something they may regret. Many have told me that Jack is the best speaker I've ever had in my class and, personally, I agree.

Len Cotter, Educator;
Campbell Savona High School

Jack was a vital part of Family Life for 20 years, and a very effective communicator to all age groups...youth and adults seek his counsel because he is very direct, frank, and honest. Without reservation I recommend Jack as an excellent communicator for any occasion.
